INVESTOR RECOMMENDATION

As an investor with experience in various regions, I would like to express my gratitude for the business environment created by Chokhatauri Municipality. The municipality's commitment to building and maintaining proper infrastructure, including well-maintained roads and modern utilities, has undoubtedly contributed to our operations. This commitment has not only increased efficiency but has also demonstrated a proactive approach to supporting businesses.

Moreover, the municipality's emphasis on sustainability, as evident in its support for clean energy and environmentally friendly initiatives, is commendable. This forward-thinking approach attracts like-minded investors who are conscious of their environmental impact.

I must mention the professionalism and responsibility of the representatives of Chokhatauri Municipality City Hall. Their professionalism undoubtedly contributed to a positive investment experience. Based on this experience, I wholeheartedly recommend Chokhatauri Municipality to both local and international investors seeking a supportive and growth-oriented investment environment. I am confident that Chokhatauri municipality's ongoing development efforts will yield even more positive results for both investors and society. Thank you for your time and dedication to creating an investor-friendly ecosystem that promotes growth, sustainability, and prosperity.

About the enterprise "Nena"

In 2014, KTW Group made a significant investment in a new direction and established a fruit processing factory in Chokhatauri under the trademark "Nena." The product range includes a variety of compotes, jams, jellies, nectars, sauces, and the highest quality natural Georgian honey. "Nena" products serve as an excellent example of the fusion of modern technologies and traditional family recipes, utilizing the highest quality Georgian ingredients, all sourced from local farmers.
